

Name: _____

Review Worksheet 1

Directions: rewrite each sentence beginning each sentence with a capital letter and ending it with the correct punctuation. Also remove the contractions by writing out each word that makes up the contraction. Lastly, underline the subject and circle the predicate of each sentence.

1. jeremiah's taking his dog, Spot, to the vet again

2. spot still isn't feeling well because he won't take his medicine

3. he doesn't like the way it tastes

4. the vet told Jeremiah to hide the medicine in some peanut butter

5. now he'll feel better in no time
